## About Gobar Industrial Expo :

Global Industrial Expo is brought to you by Global Media Communication. It is a trade show on Engineering and Manufacturing products and the only show which gives multi tasking showcase in industrial segments.

Global Industrial Expo is a show that can help you reach out to a pan-India audience. The show also helps you to promote your products & services in a specific region depending on your business requirements.

It provides a vibrant platform to participants in order to exhibit their products/ services, explore possibilities and business tie-ups & showcase unique range of products with the most latest technology in the fields of design, engineering, equipments, supplies and support services. It helps to launch new products & services in the market.

It is our endeavour to work closely with SMEs and play a crucial role not only in business development, but also in growth of the industrial sector.
